

USA Dance Adventure Coast Chapter #6090

Greetings from Spring Hill! Word is spreading from Pasco and Citrus Counties that there's a great dance venue in Spring Hill. Yes, it's our Chapter at the Lake House. The fabulous modern music and the 2 lesson agenda continues to attract dancers wanting an enjoyable night out that's local. And this past Thanksgiving dance reached near capacity.

Recently, our Chapter opened a table at the Hernando Wellnes Fair 2017 and received a lot of attention. Many want to attend our dance.

Our future Christmas dance will emphasize many "danceable" holiday tunes that should have people's spirits and fellowship heightened.

We are so excited and hope our success continues into 2018. Thanks to all our dance friends for their support.
